German Shepherd Rescue of Southeastern Pennsylvania ("GSR-SP") is dedicated to the care of German Shepherd dogs and to achieving the best match between the dog and its new family. In order to help us match the right dog to your lifestyle and family, please take the time to complete this questionnaire and mail it, together with a **NON-REFUNDABLE** Twenty Dollar (\$20.00) application fee (CHECK or MONEY ORDER ONLY PLEASE!), to the above address. Your answers will assist us in matching your needs with the German Shepherd dogs in our program. Once we receive your completed questionnaire, we will review it and then may provide e a list of potential German Shepherd candidates for your consideration or you may monitor our website (www.GSR-SP.com) and contact the named contact person about any dog you are interested in. Please be as accurate and complete as possible in completing this form. Although you may be applying with interest in a particular German Shepherd dog that you saw on our website or listed for adoption, there is no guarantee that that dog is still available or will be considered appropriate for your home. For your information, the adoption cost ranges between \$100.00 and \$300.00, depending upon the age of the dog you adopt. *(Please note, for adopters outside of the Southeastern Pennsylvania area, an additional charge of \$25.00 will be required to help cover the additional costs and expenses, making the total adoption fee range \$125.00 to \$325.00, see fee structure under [about us](#).)*

By this application, we consider you to be seriously interested in adopting a German Shepherd dog and making that dog a part of your family. Please understand that matching the right dog to your situation and meeting the specifications you have indicated may take some time. We are hopeful that you will continue to keep us updated about your circumstances and, if you are no longer interested in adopting, will advise us accordingly. GSR-SP is staffed by volunteers who donate their time and energy out of love for the dogs. We will work diligently to find the dog who will best fit your circumstances; we simply request your patience and cooperation! **Thank you!**

We also understand that we may be denied the right to adopt a dog if our references do not meet GSR-SP's standards or if GSR-SP otherwise determines that our home is not appropriate for a German Shepherd breed dog or that our home is not appropriate for the specific dog we desire to adopt.
