VOLUNTEER APPLICATION QUESTIONNAIRE

German Shepherd Rescue of Southeastern Pennsylvania ("GSR-SP") was established in early 1999 to address the need to provide for the rescue and care of pure-bred German Shepherds who have been abandoned or turned into animal shelters in the Philadelphia and surrounding counties area. GSR-SP is completely staffed by volunteers who love dogs and have a particular fondness for the German Shepherd breed. GSR always welcomes new volunteers and we are delighted that you are interested in helping out. Please take the time to complete this questionnaire and return it to the above address. After reviewing the information you provide, one of our GSR-SP representatives will contact you regarding your time availability and the volunteer activities in which you have expressed an interest.

German Shepherd Rescue of Southeastern Pennsylvania welcomes all volunteers and is most appreciative of your time and effort. *However*, we **must** caution you that working with stray and abandoned animals carry risks. We cannot predict the temperament of any dog and cannot guarantee you that the dog may not become aggressive. Therefore, you must understand that you are assuming certain risks if you agree to work directly with the dogs.

We want you to understand and acknowledge these potential risks before deciding in which volunteer activities you would like to participate.

I have accurately completed this questionnaire and have read the above warning and appreciate the risks involved in working with the dogs. I understand that German Shepherd Rescue of Southeastern Pennsylvania cannot be responsible for the actions, behavior and/or medical condition of all of the dogs which it seeks to rescue and I agree to assume the risks implicit in working with dogs who may have been abandoned, beaten, or otherwise mistreated or abused, or who may suffer from an illness, condition or disease.
